Caterpillar 3208 Turbo

3208 ENGINE APPLICATIONS

Caterpillar 3208 engines are used in many work applications such as delivery trucks, dump trucks, garbage trucks, snow plows, flatbed trucks and school buses. The 3208 is also used in many agricultural and industrial applications such as lift trucks, ag sprayers, cranes, power units, generator sets, tractors, excavators, wheel loaders, compactors, articulated trucks and backhoes. NPD can also supply a marine engine in a long block configuration.

CUSTOM CONFIGURATION

NPD will custom build many Caterpillar 3208 engines. NPD has now added custom build engines for the higher (above 250HP) horsepower units. For more information contact NPD at 877-357-
